

When Helen Medlyn begins the Operatunity ***Best Musicals of All Time*** tour she will be combining two abilities: her great singing and her recently acquired Class 2 licence. Helen will be driving her way through New Zealand with 4 singers and a pianist in the well-travelled Operatunity bus. She is a diva on stage and on the road she will be our fabulous singing bus driver. It will be a change from Helen's usual mode of transport - a Harley Davidson motorbike!

The iconic Helen Medlyn will lead an entertaining revue-style show, taking you on a journey through the best musicals of all time. Along with Helen, our amazing group of musical theatre exponents will move you to both laughter and tears. Just like a degustation menu you will be sampling the best offerings from some of the tastiest musicals: *Wouldn't it be Lovely* from *My Fair Lady*; *The Time Warp* from *Rocky Horror Picture Show*; *Tonight* from *Westside Story*; and *Send in the Clowns* from *A Little Night Music*. So come along and enjoy an Operatunity concert where we provide you with great music, brilliant performers and a bite to eat with good company.
