

As Audrey Hepburn said in Sabrina – “Paris is always a good idea”, so Operatunity Daytime Concerts are starting off 2016 in style with ***I love Paris!*** You’ll be transported to a Parisian sidewalk café in a light, bright, summer concert of favourite French melodies including *I love Paris*, *La Vie en Rose*, *Autumn Leaves*, *Can-can*, *Beyond the Sea* and *Under the Bridges of Paris* presented by a stellar cast of artists. Performing in the concert will be Cameron Barclay, fresh from his world tour with the Ten Tenors, one of Australia’s most famous touring groups. Cameron will be joined by the lovely Jessica Hindin on violin, soprano Susan Boland and tenor Bonaventure Allan-Moetaua.
